- Your record must be transferred within 30 days of your arrival in the U.S. and your new school must also start within those same 30 days.
- If you do not transfer out before the start of classes, you will be required to register for courses here first before we can process your transfer. You can then drop those courses after the transfer is submitted.
- An immigration record is different from an academic transfer.
- *An administrative fee of \$2,500 will be charged to any new student who transfers prior to their initial registration or prior to the completion of their first semester at New York Tech. **This is not a fee to transfer the SEVIS record. Your SEVIS record will be transferred without payment.** Please know that withholding payment will cause your account to be turned over to a collection agency. Payment can be made by credit card, check, or money order to the [Office of Bursar](#).*
- The SEVIS release date is the date your record is sent to your new school.
- If you decide to cancel your transfer, change the release date, or transfer to a different institution, you must notify OIE **before** your transfer release date. Once the transfer release date has been reached, New York Tech will no longer have access to your SEVIS record.
