Dowling Equivalencies

The following is a *partial list* of common course equivalents between Dowling College and NYIT. Please keep in mind that credit is awarded only for courses that are required for the degree that you are pursuing.

Dowling courses that are not listed below will be evaluated as part of the application process. Since transfer assessments are personalized based on each student's unique course of study, we strongly encourage Dowling students to apply for admission with the fee waiver code **DOWLING** to receive a course-by-course evaluation of credit applicable to the NYIT major.
