As Student Leaders, you all impact, support, and help our New York Tech students & together we work to uplift and empower the community. Hear from our fellow ASE Student Leader about their experience being an SI Leader >

## si story

"As an SI leader teaching integral calculus to my peers at NYIT for the past three semesters, my overall experience has been both challenging and rewarding. I have found being an SI leader to be a highly valuable and impactful role that requires me to be patient, dedicated, and possess strong communication skills."

- Kennette, SI Leader

This is what some of our tutees have to say about their experience with the Peer Tutoring program >

## tutee testimony

"Great tutor! She [Saliha] helped break everything down to simple logic."

- Angelina C., Tutee

"Vighanesh has some really organized notes and makes sure I understand the material well."

- Wedad M., Tutee
