NOMINATE A FACULTY MEMBER

We are continuing with our Learning Center's Interview Series.

Through our interview series, we will be interviewing faculty members from different disciplines across both campuses.

The full interviews will be shared on our Instagram page. Faculty members can be from field including the arts, sciences, engineering, and much more!

Please email us at learningcenterow@nyit.edu to nominate a faculty member.

WELCOME BACK AND ADVICE

We hope everyone's spring semester is off to a good start!

We wanted to share some advice for success!

- Make smaller goals leading up to your long-term goals.
- Write out your goals with benchmarks of when you want to accomplish them.
- Maintain a balance by rewarding yourself and continuing your hobbies.
