## SUCCESS OF THE BOOK DRIVE COMMUNITY ENGAGEMENT DAY EVENT

The LI Learning Center participated in the annual Community Engagement Day at New York Tech! We held a book donation drive through which books were donated to the organization, Book Fairies. The book drive was a success and we collected a total of 168 books and have packed these books to be distributed to those in need in NYC, LI, and internationally, increasing literacy rates and accessibility.

Thank you to everyone for spreading the word, volunteering, and contributing to our book drive!
