*Seminar courses must be taken in three different subject areas. Only one subject area may be duplicated, with a maximum of 2 courses in a subject category (ICLT, ICPH, ICBS, ICSS). You may only take one additional ICBS Course.

(Rev 3/25)

#Courses marked with a hashtag (#) are courses designated for the nursing major that require a C+ or better for admission and progression in the nursing major. Students must achieve and maintain a CGPA of 3.0.

Repeat Course Policy: Identified Prerequisite Courses (courses marked with #) - Students may repeat only two (2) identified prerequisite courses in which they received a grade of C or below; these courses may be repeated only once. This requirement includes courses taken at other colleges. Students who are required to repeat an identified prerequisite course must achieve a grade of C+ or better in the repeated course. All MATH, CHEM, BIOL, and NTSI courses cannot be older than 7 years prior to matriculation into nursing courses. Students who fail to achieve these requirements are not admissible to the nursing program.
