

NEW YORK INSTITUTE OF TECHNOLOGY

College of Osteopathic
Medicine

2024 MATCH

NEW YORK INSTITUTE OF TECHNOLOGY

College of Osteopathic
Medicine
at Arkansas State University

373

Students Participated

99.8% Matched/Placed
(one student opted for research year)

28

Émigré Physicians Participated

100%

NYIT-COM is the only osteopathic medical school that re-trains and re-educates émigré physicians to continue their medical education careers in the U.S.

20

B.S./D.O. Seven Year Program Students Participated

100%

Excellent students in the B.S./D.O. program complete undergraduate and medical school education in seven years as opposed to eight years.

12

Academic Medicine Scholars Participated

100%

The Academic Medicine Scholars Program is a one-year program that prepares outstanding medical students for a career in academic medicine through research, teaching, and clinical activities culminating in an M.S. in Neuromusculoskeletal Science degree.

11

Military Students Participated

100%

30
