

August 30, 2023: All faculty and staff were invited to CPI Day. The agenda included:

- Welcome remarks by President Hank Foley, Provost and Executive Vice President Jerry Balentine, and Associate Provost Francesca Fiore
- CPI implementation in 2022–2023
 - Presentation by the Office of Institutional Effectiveness on the CPI process, structure, and progress from plan development to implementation.
 - Faculty and staff shared highlights of CPI plans implemented by their respective departments and programs over the past academic year.
- Revision of MSCHE accreditation standards and guiding principles
 - Presentation by the Office of Institutional Effectiveness on updates to the Fourteenth Edition of the *Standards for Accreditation and Requirements of Affiliation* and revision of guiding principles to include a reflection on DEI and data-/evidence-based decision-making.
- Using data to support the student experience and inclusive excellence
 - Presentation by Dr. Erikka Vaughn on New York Tech's strategic planning and Inclusive Excellence.
 - Faculty panel discussion with Dr. Lori Hochman, Dr. Corri Wolf, and Dr. Mena Youssef about how they are using data to enhance student success.
- Initiatives coming up in AY 2023–2024: "Know Your Students" and "The Big Bold Challenge"
 - Presentation by the Office of Institutional Research on the "Know Your Students" initiative, which will provide faculty with summary data about their students and empower them to adopt inclusive teaching practices.
 - Presentation by Dr. Francesca Fiore on the Big Bold Challenge, which will support innovation and collaboration across our community in improving New York Tech.
