

**NEW YORK INSTITUTE
OF TECHNOLOGY**

Reinvent the Future.

The Class of 2024

Twenty-Fourth Annual Commencement

Friday, October 25

About New York Institute of Technology

New York Institute of Technology's six schools and colleges offer undergraduate, graduate, doctoral, and other professional degree programs in in-demand disciplines including computer science, data science, and cybersecurity; biology, health professions, and medicine; architecture and design; engineering; IT and digital technologies; management; and energy and sustainability. A nonprofit, independent, private, and nonsectarian institute of higher education founded in 1955, it welcomes nearly 8,000 students worldwide. The university has campuses in New York City and Long Island, New York; Jonesboro, Arkansas; and Vancouver, British Columbia, as well as programs around the world. More than 116,000 alumni are part of an engaged network of physicians, architects, scientists, engineers, business leaders, digital artists, and healthcare professionals. Together, the university's community of doers, makers, healers, and innovators empowers graduates to change the world, solve 21st-century challenges, and reinvent the future.

Mission

- to provide career-oriented, professional education
- to offer access to opportunity for all qualified students
- to support research and scholarship that benefit the larger world
